Scott Autograver - Scott® Computerized Engraving Machines

Today I am selling a used SCOTT SM100B Name tag Engraver that does not seem to have any issues whatsoever. I tested the engraver and it not only turned on, but I was able to carve into some hard plastic that I had lying around, so there don't seem any problems with it. The only thing that differentiates this engraver from one that is new is a bit of scuffing/scratches from the
