Marx Through Post-Structuralism: Lyotard, Derrida ...

Choat describes his book as one that reads ‘Marx through post-structuralism’ (1; emphasis Choat’s). By this he means that it is neither a critique of Marx from the standpoint of post-structuralism nor the reverse; still less is it an attempt at a synthesis of the two. Any of those projects would presuppose that Marx’s thought and post-structural theory are heterogeneous to one another.

Marx Through Post-Structuralism: Lyotard, Derrida, Foucault, Deleuze . By Simon Choat . Review by Saul Newman. 1. Simon Choat, in exploring an encounter between Marx’s thought and that of key post-structuralist thinkers, has done something important here. He has provided an alternate way of thinking about both Marx and post-structuralism, two critical

Marx Through Post-Structuralism: Lyotard, Derrida ...

Simon Choat’s Marx through Poststructuralism is an admirably clear book that convincingly puts the case for a re-evaluation of the work of some key post-structuralist thinkers (namely Lyotard, Derrida, Foucault and Deleuze) in light of the influence on them of Marx. More than this, he attempts to construct out of the engagement between Marx and these authors a conception of materialism that is relevant and useful in the present.
