Modern Indian Social and Political Thought Page 7 represented through meaningless practice. In pursuit of these religious objectives, Ram Mohan thought of a concerted action by a band of true reformers. His crusade against Hindu modes of worship roused in the orthodox and fanatical reaction against the reformer. Reformist propaganda

MODERN INDIAN SOCIAL AND POLITICAL THOUGHT

The history of political thought dates back to antiquity while the history of the world and thus the history of political thinking by

man stretches up through the Medieval period and the Renaissance. In the Age of Enlightenment, political entities expanded from basic systems of self-governance and monarchy to the complex democratic and communist systems that exist of the Industrialized and the ...

History of political thought - Wikipedia

Social media companies need to do more themselves to counter online extremism and polarization by, for example, better regulating the political targeting of ads on their platforms. However, even in the absence of change in policy or on the sites themselves, there is a lot we can do as individuals to make social media less polarized.

Are Social Media Driving Political Polarization?

1. The Place of Hegel's Social and Political Thought. Hegel's social and political thought has been a subject of several

debates in terms of its form and content. 1.1 Conservativism and Progressive Readings. One such debate concerned whether or not his views endorsed a dangerous conservativism, sometimes described as quietest or reactionary.
