A Fast-Moving Casebook for a Fast-Moving Subject. I love Internet law, and since the day I started teaching it, I've tried to share my enthusiasm with my students. The ninth edition of the casebook reflects twelve years of work. I designed it to help law students thrive in the face of the constant ferment of the Internet itself.

The Bora Laskin Law Library Casebooks Project offers a tool for browsing the collection of casebooks used for the study and teaching of law at the University of Toronto Law School. Going back to 1942 and authored by law professors at the top of their field, this is one of the largest sets of legal...

Bora Laskin Law Library - Casebooks - Internet Archive

The beginner is thrown into the world of the law, and quite often, into the deep end of the pool. I can put the problem by way of a hyperbole: law students study law by reading opinions that are written on the assumption that they already know law. It's sort of like learning to ride a bicycle by jumping on and starting to ride.
