### Son Of Interflux

Simon Irving has just moved to the town of Greenbush, New York with his parents. His father is the Senior Vice President of Interflux, a large corporation that makes only parts of things. He enters into Nassau County High School for Visual, Literary and Performing Arts, an arts school, in an attempt to become a painter and therefore avoid the business job that his father has planned for him.

### Son of Interflux - Wikipedia

"Son of Interflux" by Gordon Korman is a great young adult novel. Simon's father, the head of the biggest company known for manufacturing useless items, is planning to build a factory in a park that is very important to the kids of Simon's school of the arts. It's a place they go to for inspiration, for peace and quiet, and to work.
