How a speaker can gain influence with a decision maker How to get an edge on other speakers when competing for a gig Strategies to maximize a speaking opportunity How to increase back of the room sales Why a speaker should never negotiate on price When you have to compromise, whatâ€™s the best approach

### Insider Secrets Successful Speakers Use to Get More Gigs ...

Great public speakers often pause for two to three seconds or even longer. A well-placed pause gives the audience time to digest what you are saying. It also makes you sound more confident and in control. Avoid filler words. Words such as "um," "ah," "you know," and "like" diminish your credibility and distract from your message.

### Tips to Improve Your Public Speaking Skills
