avoid losing your current home. It will help you work out what steps you need to take and where to go for help.

A survival guide to what to do if you are threatened with

...

People are homeless for a wide variety of reasons, and have equally varied prospects. This guide seems to be targeted at newly homeless people, who have better prospects of bouncing back than chronically homeless people. This seems to be more of a survival guide than a rebound guide. The relationship between "luck" and sobriety is complicated.
