Once you find the right swing, though, you will on your way to swing like a pro. Just remember one other note - this kind of swing is only for those shots which are a longer distance. The closer you come to the pin, the less your body should rotate; those swings take more finesse, so you can ensure you don't power the ball too hard. However, that is a lesson for another time. In the meantime, we wish you luck in fine tuning your swing, so you can go out to the golf course and swing like ...
