Synchronicity Through The Eyes Of

Synchronicity is shown to leap the gap between not only the conscious and unconscious aspects of the mind, but between the world of mind and the world objective events. In this way it corresponds very well to the myth of Hermes, the god of boundaries, and the messenger between the world of the gods and the world of men.

Synchronicity : through the eyes of science, myth, and the ...

In front of my very eyes, her eyes began regaining their color and luminosity, going from the dead, diseased eyes of a blind person to normal, healthy, seeing eyes. She had regained her sight. At that moment, as if divinely choreographed, a beautiful woman doctor came into the room, gave me some pills to swallow, and brought me into another room.

An Eye-Opening Synchronicity — Awaken in the Dream

Directed by Jacob Gentry. With Chad McKnight, Brianne Davis, AJ Bowen, Scott Poythress. A physicist who invents a time machine must travel back to the past to uncover the truth about his creation and the woman who is trying to steal it.

Marc Holland is a psychologist and one the authors of the book Synchronicity: Through the Eyes of Science, Myth, and the Trickster. He has an interesting take on this subject. What he says is that the reason why these phenomena arise is to make us feel something.

Coincidences and Opportunities - Exploring your mind

U2 mixed the blues and the gospel - rock and roll and B. B. King - to create a genre-bending sound that honored tradition while creating something new. My sense is that the holy continues to break through our popular culture in startling but creative ways if we have eyes to see and ears to hear.
