The Department of History and Sociology at the University of Kansas was established in 1891 and the first full-fledged independent university department of sociology was established in 1892 at the University of Chicago by Albion W. Small (1854-1926), who in 1895 founded the American Journal of Sociology.

History of sociology - Wikipedia

The history of sociology is both a traditional area of sociology itself and a part of the history of the social sciences as studied by intellectual historians and historians of science. The earliest writings on the subject were completed by sociologists attempting to construct a canon and a history of the discipline reaching into the distant past.
