### **The Spirit Of The Land**

SPIRIT OF THE LAND is a personal project by photographer Stephen Robinson. It aims to document Africa's landscape, especially its unknown, remote landscapes, in a distinct style. And to illustrate the "big picture" scale of the African natural environment and its importance to the millions who live so directly off its rich, but increasingly threatened, natural resources.

### **Spirit of the Land - Home**

The Spirit of the Land program embodied a commitment to raise the general consciousness of its guests from around the world about green practices, to leave a legacy of environmental improvement and to honor individuals from around the world who have made substantial educational efforts on behalf of the environment.

Wanderland is a more personal, narrative account dealing with the same themes: the joy of serendipity, the importance of spirituality, and 'finding oneself' by exploring a range of landscapes around Britain. She also brings the clarity of an outsider's view, having grown up outside the UK, in Canada, though London is her birthplace.
