The Street Politics Of Abortion

"[The events of the American anti-abortion movement] are the subject of Joshua C. Wilson's book, *The Street Politics of Abortion*, and involve the intersection of four topics: political movements that involve litigation; anti-abortion activism; First Amendment doctrine and judicial decision making; and legal consciousness, in particular the evolving view of law of various elite and non-elite actors. This combination makes for rich and fascinating subject of study and promises Wilson's book a ...

The Street Politics of Abortion: Speech, Violence, and ...

Wade stands as a historic victory for abortion-rights activists. But rather than serving as the coda to what had been a comparatively low-profile social conflict, the decision mobilized a wave of anti-abortion protests and ignited a heated struggle that continues to this day. Picking up the story in the contentious decades that followed Roe, *The Street Politics of Abortion* is the first book to consider the rise and fall of clinic-front protests through the 1980s and 1990s, the most visible ...

New Release: Wilson, "The Street Politics of Abortion"

Under political (and often physical) attack for years, Planned Parenthood is now central to politics in Washington. Anti-abortion Republicans -- which is to say nearly all Republicans -- want to score points with their own supporters by trying to cut off government funding for Planned Parenthood, and GOP presidential candidates will be at the forefront of doing so in Congress.
