The value of  
everything by Mariana  
Mazzucato is about  
value creation and  
value extraction,  
making versus taking,  
which is a subtitle of  
the book. We currently  
have corporate  
governance structures  
which are very much  
not just aimed at short-  
termism but actually  
very much centred  
around extracting  
value.
