Thomas Heatherwick: 'The city will be a new kind of space'

As the city begins to open up and recover, one new attraction that is sure to draw people to its unique architectural design and green space is Thomas Heatherwick's Little Island, which just opened to the public this morning at Pier 55 in Chelsea. The 2.4-acre park sits over the Hudson River and features landscape design by MNLA. Hudson River Park Trust is managing the park, which was ...

Thomas Heatherwick's Little Island Opens To The Public In ...

Having unveiled his first car design and Manhattan's newest park, designer, architect and inventor Thomas Heatherwick talks to us about soulfulness in cities and why building with emotion is now more critical than ever. It's been a busy few months for the Heatherwick Studio, but its headquarters in London's Kings Cross seems almost empty, with most staff working from home.

19 Public Square will feature an entry garden, a canopied Pavilion Grove, a water feature, a massive interactive artwork by Thomas Heatherwick, and, according to the developers, a "stonework installation recalling Manhattan geology" — the schist foundation upon which the complex floats, and into which its caissons are anchored.

Instrumental City: The View from Hudson Yards

More than 8 million people are crowded together to live in New York City. What makes it possible? In part, it's the city's great public spaces — from tiny pocket parks to long waterfront promenades — where people can stroll and play. Amanda Burden helped plan some of the city's newest public spaces, drawing on her experience as, surprisingly, an animal behaviorist. She shares the ...
