punctuated by sporadic violent episodes, in Ireland between 1830 and 1836 in reaction to the enforcement of tithes on the Roman Catholic majority for the upkeep of the established state church, the Church of Ireland. Tithes were payable in cash or kind and payment was compulsory, irrespective of an individual's religious adherence,

Resisting tithes

This thesis attempts to provide a general history of the tithe system during the last century and a half of its existence in its old form. It attempts this partly through a detailed study of one county, thus enabling a wider variety of legal, administrative, ecclesiastical and parochial documents to be used than has been attempted in previous
