Transistor Combat Guide | GamesRadar+

Hi, here is Prime, an experienced player of Transistor who by this time almost finished the first recursion--the second playthrough which retains all character property, and gives duplicates of abilities when Red levels up, which grants player a greater variety of arsenal they can use to fend off the stronger opponents. I will put up pictures of my builds later, and probably a video of my ...

Transistor Strategy | Transistor Wiki | Fandom

Since both Bastion and Transistor were made by the same Devs, there's a reasonable chance you might like the game ^^ There's already a guide for the hidden achievements, but as such it's quite incomplete... =/ Another game by the same devs, named Hades, will also release next month. It'd be really awesome if you could look into that one, too =)
