News writing follows a basic formula. While styles can diverge more dramatically depending on the kind of story—a feature story may look and sound very different than a hard news story—all news stories are cut from the same mold. The first element of news writing is, of course, to deliver the news.

### What You Need to Know About News Writing

Innuendo is rarely acceptable in news reporting. You should never guess at what a source means.

To write in a news story that someone hinted, implied, indicated, suggested, or signaled is to editorialize or interpret someone's actions, words, or thoughts. This is rarely acceptable unless you have some other evidence to support the interpretation.
