### Yoga And The Path Of

The Four Paths of Yoga are rooted in yoga philosophy. Yoga means ‘union’ and is often explained as union of the individual soul with the super soul or as the union of the human with the divine. However, this definition is symbolic. In its practice, yoga is about the union of the Self with reality, which can be also defined as self-realization.

### The Four Paths of Yoga Explained | YogiApproved.com

Gyana Yoga is the path of knowledge or, more correctly, wisdom. It is the means to Enlightenment through the process of reason—particularly the process of discrimination between what is real and what is not real, what is true and untrue—through study and self-inquiry.
