Yoga has come a long way from when it was first introduced in the West in the 19th century, becoming the worldwide phenomenon it is today. Although its origins are hard to find, an article by Rappler notes that yoga made its way to a broader population after Hindu teacher Swami Vivekananda developed the practice based on the Yoga Sutras, a collection of aphorisms on the structures and practice ...

The Spiritual Benefits of Yoga - Daydreaming in Paradise

When committing to yoga practice on a regular basis, yogis seek to experience and become aware of the spirit, or the energy, within and without. We're not talking about ghostly spirits here, or some supernatural being - spirit is higher consciousness; a driving force, a motivation, a reason behind everything we think and everything we do.
